Introduction

Years ago we began our climb up a mountain of education. Our pathway was obstructed with many streams of peril. Our hard work and determination enabled us to ford these streams. In the last years of our education our pathway has brightened. By following the rainbow, we approached the summit upon which our goal rested. Having attained this summit, we can begin to CLIMB EVERY MOUNTAIN of the future.

Dedication

The yearbook is a labor of love for all those who give freely of their time and effort toward its publication. One of the very special tasks of the Annual Staff is its dedication. This year we felt our choice could not be limited to one person. The two people we selected have done so much for us that distinguishing between them was impossible.

On very few occasions in life do we encounter people who give so freely of themselves to help others. These two are such people. They are never too busy to give assistance when they are needed. They have

played important roles as morale boosters and problem solvers.

They possess attributes desired by all people—warm personalities, abundant patience, and sweet dispositions. We have come to know them not only as teachers, but as friends as well. Working with them on the yearbook has been a rewarding experience for each of us.

With deepest appreciation and sincerest admiration the Annual Staff dedicates the 1970 TORCH to Miss Linda Petty and Mrs. Evelyn Reese.

Administration and Curriculum

School Board

Mr. A. Woodrow Taylor
Superintendent

Mr. John L. Honecutt, Jr.
Associate Superintendent

As we climb every mountain and obstacle in our second year of existence, the Vance County School Board solves the major problems. These men and women who strive to better the educational

system in Vance County are Mr. George Wilson, Chairman; Dr. Gilbert F. Sellars; Mrs. J.D. Lassiter; Mr. Rex Woodlief; and Mr. John Rainey.

Office Personnel

Mr. E.O. Young, Jr.

Mrs. Minnie B. Rhodes
Lenoir-Rhyne College, A.B.

The faculty at Vance County High is not composed entirely of teachers. We are fortunate to have people acting in several other capacities.

All the students, but especially the seniors, are aware of the guidance counselors. They are very helpful, and are always willing to help. Their knowledge of what's ahead after high school makes the choice of a college or profession much easier.

The nurse plays an important part in everyday school life. Rare

is the day that someone doesn't need a little medical attention, and it's availability makes the school day go smoother.

Also, very important are the special education and reading teachers. Special Education is a course designed for students whose needs are different from other students. All areas of education are covered. These include reading, writing, spelling, social studies, and math.

Special Education & Chorus

Mrs. Rose Flannagan
Mary Washington College, A.A.

Mrs. Patti Deaton
Appalachian State, A.A.

Mrs. Jane Singleton
St. Mary's Jr. College, Business

Miss Ann Royster
Columbia University, M.A.

The reading course has a threefold purpose. It improves students reading, spelling, and studying habits. Phonics are also studied to improve a student's mastery of the English language.

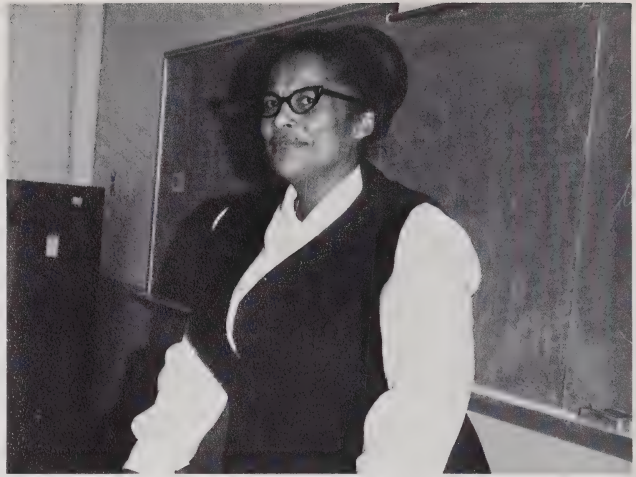

Vance County High is fortunate to have a very good library and librarian. The librarians knowledge of the location of any books in the library is invaluable to a student looking for term paper sources or scanning the library for the thinnest book possible for

that next-day book report.

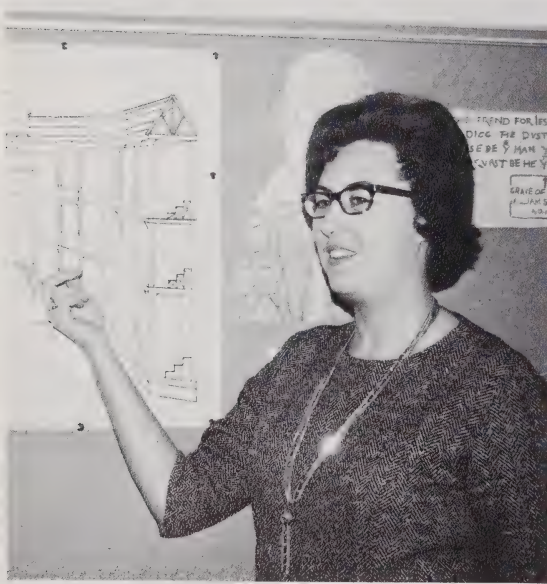

Music is a vital part of the American way of life, and for this reason a chorus has been organized at V.C.H.S. The chorus performs at various school activities and has already enlivened several assemblies. A major function of the chorus will be to sing at the graduation exercises.

English Department

One cannot attain success in high school unless he is able to understand and use well the language he speaks. At Vance County High we have an excellent English Department. Under its plan, each student is considered individually. There are classes for the college bound and classes for those who are in a general curriculum. The appreciation of literature is emphasized and cultivated. Grammar usage and the mechanics of writing are also stressed. Each phase of literature and grammar are correlated to make students more efficient in the area of language.

Foreign Language

A good knowledge of foreign language is essential in the promotion of world peace. We must be able to communicate with other nations if we are to establish peace, and the best method of communication is by word of mouth. The foreign language depart-

ment of VCHS, which consists of French, Spanish, and Latin courses, is trying to instill an understanding of these languages into the students so that when they become leaders, they will be able to communicate with other people.

Mrs. Mary H. McColl
Flora Macdonald College, A.B.

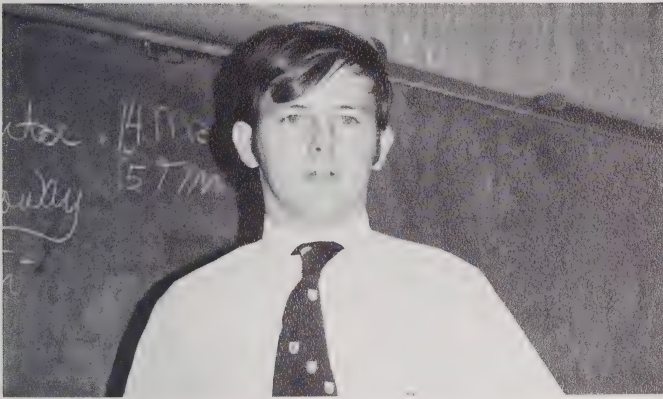

Mrs. Rosa R. Iglesias
Havana University, M.A.

Social Studies

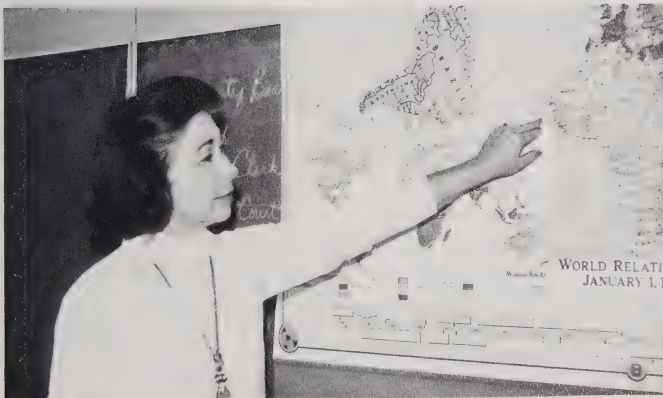

Through the experiences of our predecessors, we learn about ourselves and the world in which we live. The social studies department helps us to understand our democracy, the basic need for a free economy, and the world that lies in the past. If we understand the past, we might more easily make a world of peace. Future history books should be filled with records of our achievement and high ideals. An understanding of man's social development will provide the outline for a better world.

Math

The field of math is becoming more important every day. Math can be a stepping stone to a very bright and prosperous future. With man on the moon, the universe is the limit; and math is the fuel that may propel us there.

We at Vance County High are very fortunate. We have some of the best math teachers in the area. They are not only competent in this respective field, but they also take an interest in the individual student.

Getting a foundation in math is a necessity for college students. Practically every course of study pursued in college will have some math in it. But college isn't the only reason for taking math. Math proves very useful in many every day situations.

The students at Vance County High say thanks to all the math teachers. Their teachings are instrumental in our lives.

Science

Science encompasses many different areas. It is a highly important field. The usefulness of science can range from that in everyday life to the possible cure of cancer or the saving of millions of lives.

Science is a field of opportunity. Through this field mankind can be helped in numerous ways. Science can make man more comfortable in his leisure hours and give him more leisure.

The science teachers at Vance County High are very capable. They offer students a background that can be expanded into something quite worthwhile. Phases covered are physical science, biology, chemistry, and physics: In each course students meet challenges and arrive at answers to solutions which enrich them educationally.

Physical Education

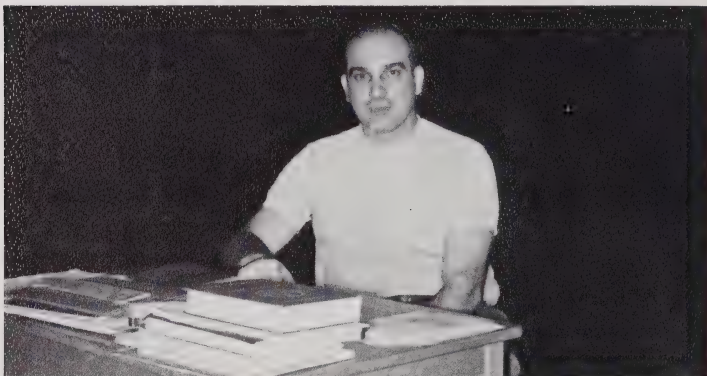

The health and physical education department tries to stress the importance of a sound body as well as a sound mind. The mind is strengthened through the study of health, and the body is made fit through participation in various sports and physical activities.

In the fast paced world of today, it is necessary to be fit. As the saying goes, "Only the strong survive." And as long as Americans are healthy, America will remain a world power. It is the goal of our physical education department to keep VCHS students among the "strong."

Home Economics

The Home Economics Department strives to prepare young women to meet the challenge of an ever changing society. The family institution is the most important factor in the development of children, our most important resource.

The course of study includes management, housing, child development, foods and nutrition, clothing, and health. Home Economics sharpens and develops the skills begun in the home.

Agriculture

Mr. Joe T. Griffin
N.C. State University, M.S.

Machinery is the key today as fewer farmers try to produce more food for the increasing population. The farmers must be well trained in the operation of farm machinery as well as in the best methods of producing higher crop yields if they are to supply the needs of Americans. Future Farmers can obtain this necessary training at Vance County High from the capable instructors we have here. Our nutritional needs will be met as long as our farmers are well trained.

Commercial

No matter what future a man plans for himself, he will always have a need for the basic fundamentals of business. Each must possess a certain amount of business acumen. The business department of Vance County High School undertakes the job of developing a basic knowledge in this field. The student taking courses such as Basic Business, Bookkeeping, Typing, and Shorthand is given an opportunity to help himself in the growing business world of today.

Mrs. Julia B. Gooch, U.N.C.-Greensboro, B.S.

Introduction to Vocations & Auto Mechanics

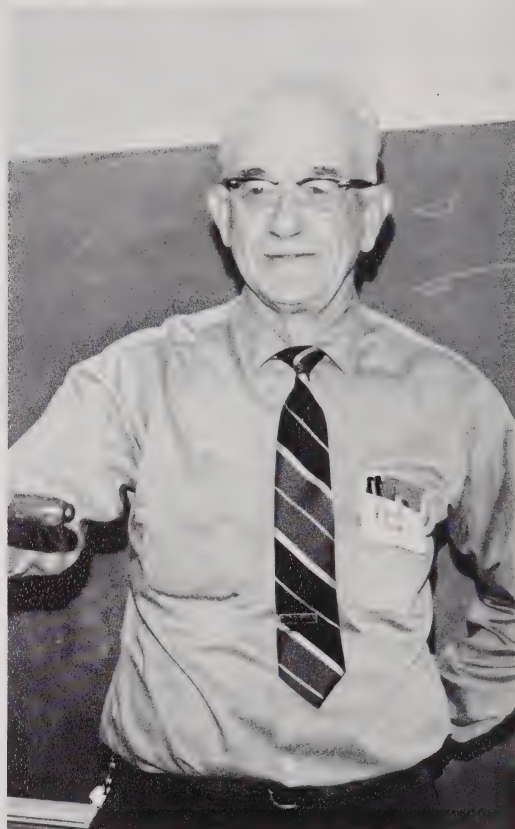

Many job opportunities are available today to well trained people. Most of these jobs require special training; therefore, it is important for young people today to decide the type of work they wish to enter so that they can get the necessary training. Students become familiar with these various job opportunities through the Introduction to Vocation courses. They are able to decide what fields interest them and the type of job they wish to make their life profession. Each IV student is able to prepare for a better future.

With over six million automobiles on the highways today, there is an increasing need for skillful mechanics. Many young men are interested in motors and mechanics but never have an opportunity to learn the trade. Our automotive mechanics department gives our students this opportunity.

Many of the students taking automotive mechanics will use their trade soon after graduation. Others will go to technical schools to increase their knowledge of mechanics. With automotive mechanics in high school, more mechanics will be available to take care of the increasing number of automobiles in operation.

Lunchroom Staff

The cafeteria staff works very hard to prepare nutritious meals for us. Although the meals we get in the lunchroom aren't composed entirely of our favorite foods, they are quite good.

A hot meal certainly gives us a lift in the middle of the day. We owe sincere thanks to the entire lunchroom staff.

Hard work and originality go into the meals at Vance County High.

The workers spend many hours preparing the delicious meals.

Who's Who

A heart of pure gold under a sunshine smile—that's SANDRA ABBOTT. She is seemingly quiet on the surface, but her mind teems constantly with knowledge and originality. Sandra is one of the most co-operative and willing students at Vance County. She continuously gives of her time and her talents to various school projects. She is involved in many activities, but perhaps her most active pastime is cheering the Cougars to victory and working as co-editor on The TORCH. A truly beautiful person, both in appearance and attitude, Sandra brightens the day for all who know her. Her friendship is highly valued by everyone.

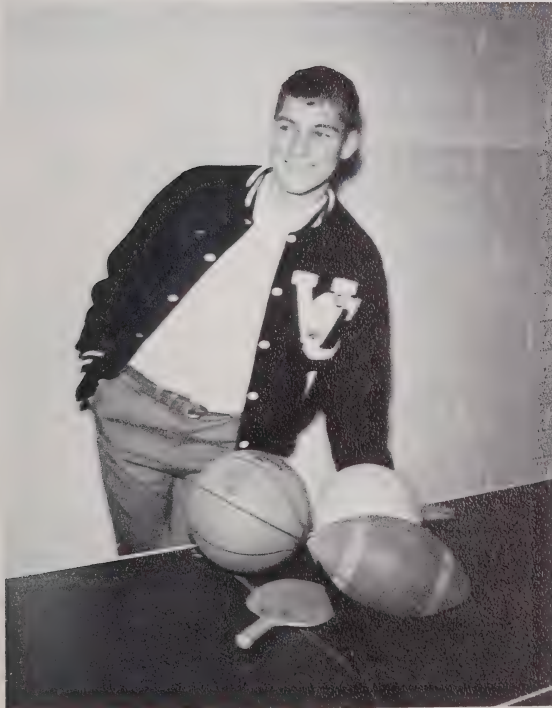

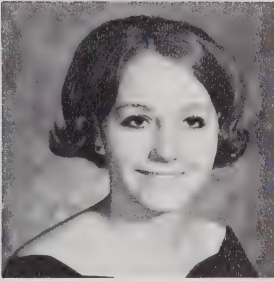

JACKIE BURNETTE is one of the top basketball players at V.C.H.S. He is a fellow with a winning personality and a smile that captures the hearts of all his classmates.

Although he seems to be a very shy person, Jackie really lets you know how groovy he is once he gets to know you. Jackie is an outstanding basketball player who doesn't give up until the Cougars have won the game! Tall, lanky Jackie has proved to be one of the most outstanding and well-rounded students.

on Campus

A very sweet girl with a cute accent is MAMIE BOWES. Listening to her talk, one is aware of her pleasing personality. Mamie always strives to please others in whatever she does. Willing to lend a helping hand and co-operating in activities are her trademark. Her personality, friendship, and winning ways have brightened the lives of her classmates. Mamie lives the part of a "mighty, mighty senior."

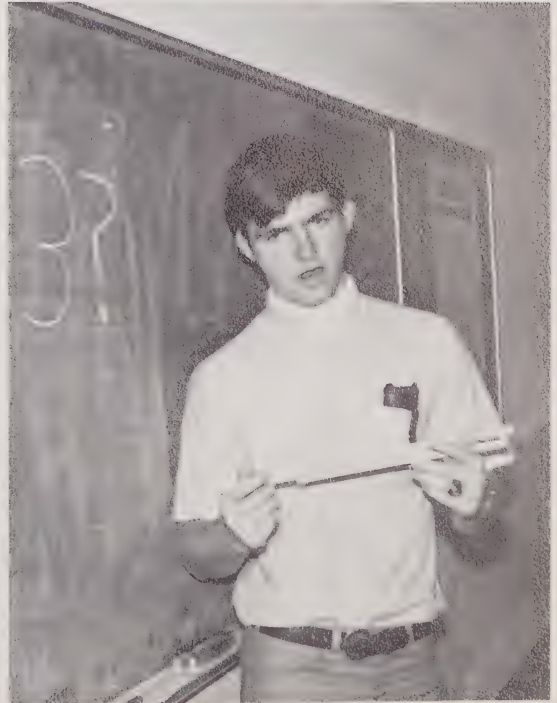

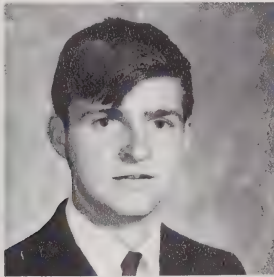

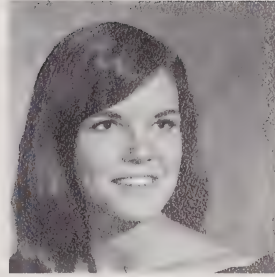

Though seemingly quiet, WAYNE ELLINGTON bubbles with life. His cute little sneaky smile is evidence of abundant energy. Always looking as if he has just accomplished the world's greatest mischief, he radiates warm personality. Rarely does a high school student possess the athletic ability which is Wayne's claim to fame. He is the pride of Vance County High as he maneuvers the basketball over the court. The resounding echo of the student body can be heard, "Do you thing, Wayne, do your thing!"

Everyone at Vance County High easily recognizes the beautiful brown eyes and bright smile of LUANNA BRUMMITT. Her sparkling personality and winning ways help make the days at V.C.H.S. much brighter. Luanna serves as recording secretary for a progressive student council. On the ball court, she is a very active cheerleader, and when she yells, the "Cougars" really hussel. Willing to work toward making V.C.H.S. a better school seems to be one of Luanna's basic aims.

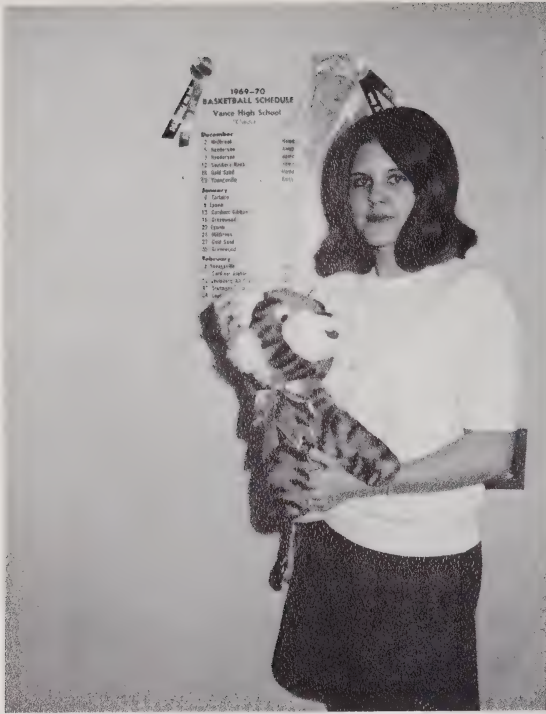

There are many things the students at Vance County High will long remember about WELDON LLOYD. But perhaps the one characteristic which stands up to tower over all others is his indomitable spirit. Never is he seen without his bright cheerful smile. His pleasant attitude warms the heart of all those with whom he comes in contact. His determination is an inspiration to everyone. Weldon does not settle for less than his best. His scholastic achievements indicate a will to succeed. His witty comments and his ability to always smile have endeared him in the hearts and minds of his fellow classmates.

A very considerate, quiet spoken, and popular girl at V.C.H.S. is LINDA EDWARDS. Her outstanding leadership ability has been recognized in the offices she has held in various clubs. Linda's athletic ability has been seen on the ball court in previous years. Consideration for everyone and willingness to lend a helping hand mark Linda's school days. Her quiet elegance makes her envied by girls and admired by boys. She walks with the grace of a gazelle. Charm, poise, and wit—that's Linda.

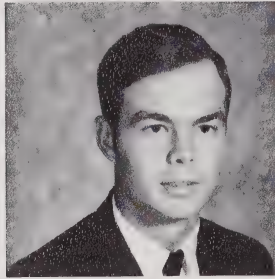

STEVE NORWOOD equals joy, pep, and wit. Always ready with a line of humor, he can turn any dark day into a bright one. "A little nonsense now and then is relished by the best of men," seems to be his motto.

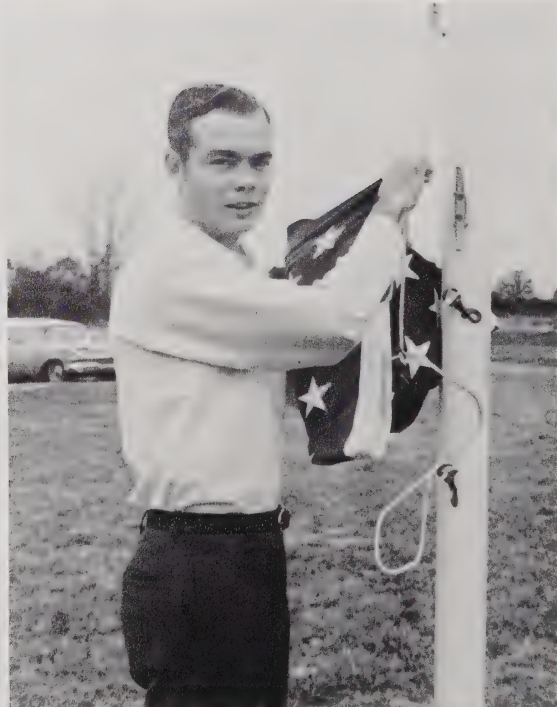

In addition to studying Steve finds time for co-editorship of the school paper. He was also a representative at Boys' State in 1969. He takes an active part in different types of water sports and also enjoys baseball. When something needs to be done, Steve takes the initiative and completes it quickly. Steve has proved to be a valuable senior.

Cute, petite, and sweet are just a few of the many pleasant words describing ANN FLEMING. Her charming, though rather shy, personality makes her both well-known and well-liked at V.C.H.S. She gives the impression of being quite shy and reserved; however, if one gets to know her, a bubbling personality and quiet energy emerge. Her warm and friendly smile can melt a heart of ice. Here at Vance County, Ann has devoted much of her precious time to helping anyone in need. Always willing to give of herself makes Ann an asset to the student body.

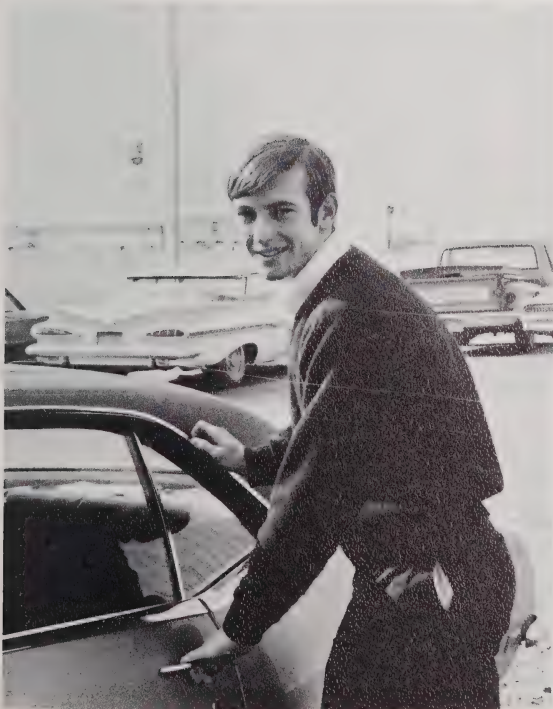

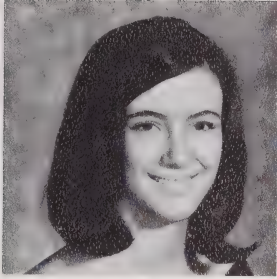

Intelligent, friendly, and cooperative, TONY NORWOOD is one of our outstanding leaders at V.C.H.S. Evidence of this ability was participation in Boys' State in 1969. Tony works diligently as Co-editor of the TORCH Staff and in the various clubs of which he is a member. He was chosen as Student-of-the-Week, which is just one of the many honors that have been bestowed upon him. Although serious in all of his work, Tony is always ready with a few lines of humor. Tony has set his goal as success, and certainly he will attain it.

In some people, quietness is mistaken for shyness. With CAROL MOODY this mistake should not be made. Carol is really a vivacious, out-going person. She emits a warm glow of friendship to all who know her. She is also possessive of appealing charm and pleasing ways.

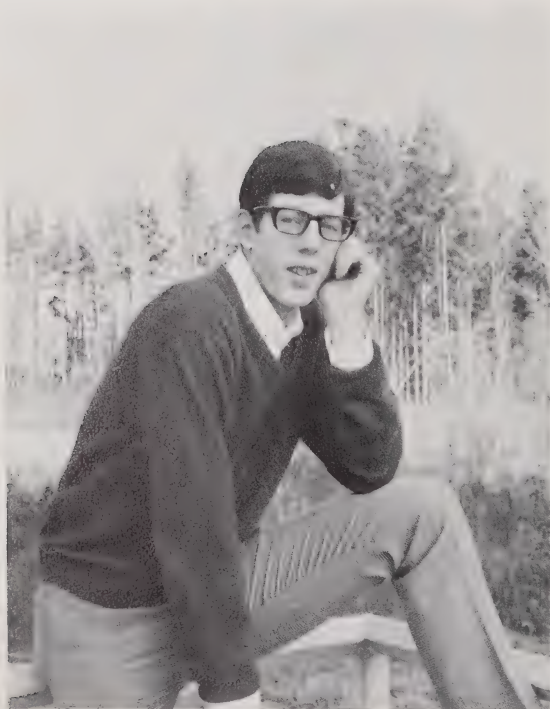

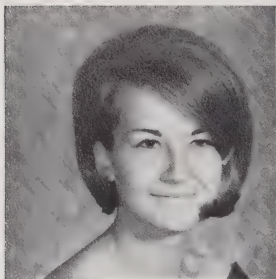

Not only does Carol have quite a personality, but she is also possessed with a willingness to contribute to school activities, making her a real asset. Cute, sweet, and smart are just some of the reasons that Carol Moody can be classified as a really outstanding senior.

Presidency of the Student Council illustrates DAVID PARHAM'S qualities of leadership. In this capacity he shows concern for others and works for the interest of his fellow students. He represented V.C.H.S. as a delegate to Boys' State in 1969. David is known for his versatility, and in addition to leading, he has excelled in sports and was a member of the 1969- 70 basketball squad. Another phase of David's school life centers around his studies, and plans for the future include college. Wonderful smile, sparkling brown eyes, extraordinary personality—that's David.

Quiet, sweet, and charming are adjectives describing the personality of DEBORAH OVERTON.

Seldom does nature provide a person with the ability to make and keep friends the way she does. But as the saying goes "To make a friend, be one," and a true friend she is. Deborah is very active in school affairs and is always willing to do anything for the good of the school. She always puts the feelings of others first and is very co-operative even when she does not agree. Deborah's distinction—the friendly senior.

LANNY PUCKETT'S fame as the bard of V.C.H.S. lies behind his little rhymes and songs on any subject from A to Z. He performs on class in the absence of an unsuspecting teacher. He is usually received with wholehearted laughter. Any student and teacher will vouch for Lanny's well-sounded personality and great sense of humor. Lanny also possesses a great love for many types of sport. His pride lies in V.C.H.S. and our basketball squad of which he is a member. This fellow has enough school spirit to scare any of our competitors. Lanny strives very hard to gain knowledge he will need in the future. This fact certainly commends his character.

NANCY OVERTON'S talent never ceases to amaze the students and teachers at VCHS. She has a lovely singing voice and can accompany herself on the piano, drums, banjo, mandolin, and guitar. Nancy is proud of the fact of being able to play the spoons when she is not eating with them. Possessing the ability to play many different instruments makes her a very valuable member of her family band.

Nancy also draws cartoons for the Voice of Vance which commends her artistic ability. Of course, her greatest thrill and accomplishment is riding her own special unicycle. Nancy is witty, talented, enthusiastic, and her winning ways have ranked her among the top of Vance High's outstanding students.

Always smiling, always contributing witty comments—these are only a few of the personal traits that distinguish LARRY PULLEY. A very outstanding student, he always combines fun and work. Larry is very reliable and can be trusted with important tasks. He is a high achiever, ever putting forth his best effort on every thing that he undertakes. In 1968-69 he served as assistant chief marshal. As a representative at Boys' State and as President of the Spanish Club, Larry has shown his leadership ability.

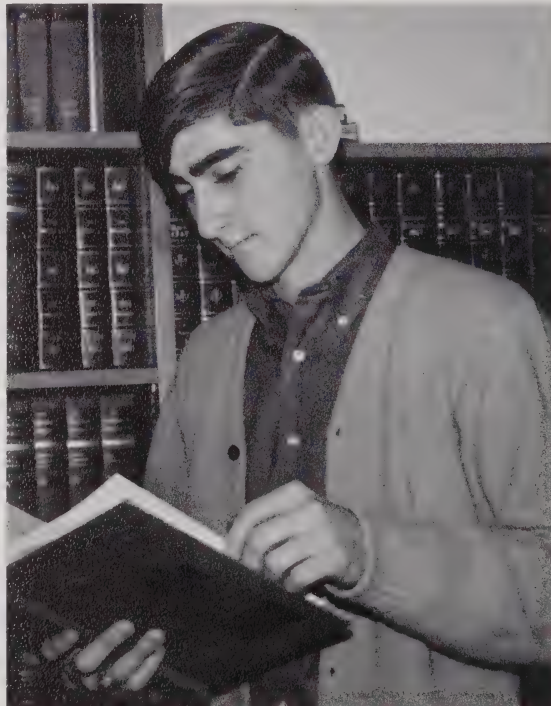

His willingness to serve his classmates has shown his concern of others feelings, wants, and needs. Without Larry the senior class just wouldn't be complete. For such a grand guy with a miraculous personality the future holds the best in store.

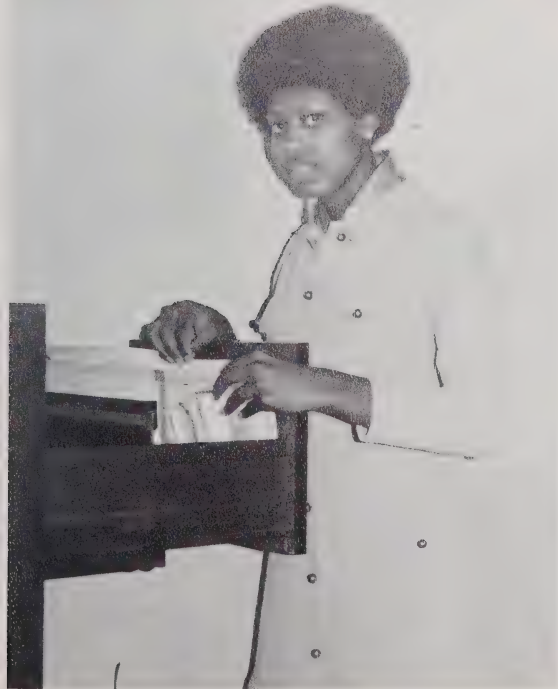

To describe KAREN PERNELL one would only have to think of a true friend. With her friendly smile and witty ways, she spreads a feeling of warmth to any who are lucky to be near her. Karen's personality seems to attract friendships like a magnet. With the aid of her constant chattering, she can talk her way right into your heart. Karen's pride lies in her outstanding school spirit which shines through at every basketball game. Her yells can be heard above the crowd as she helps spur our team on to victory.

Acting as Chief Marshall for 1968-69 marks TOMMY SPAIN as an outstanding student. Also representing V.C.H.S. at Boy's State and being actively involved in various clubs, Tommy's abilities emerge. Many know him by his hearty laugh and contagious smile. Here is truly a guy who wants the best out of life. Only when he reaches life's highest goals will he be content. Being studious, possessing integrity, and having a willing spirit make him well-known and well-liked by all students.

Cute, lively, artistic, and charming—these are all qualities that describe ROSE THOMAS. No task is too difficult for Rose to tackle. Her artistic ability is particularly noted here at Vance in the many attractive posters which boost the Cougars and especially in our pride and joy, our Cougar head mounted in the gym. Rose is consistently aware of the feelings of others and always willing to co-operate. On the cheerleading squad she serves as co-chief, and true Cougar spirit comes through as she leads the yells.

PATRICIA WILLIAMS is an outstanding student for many reasons. Friendly, considerate, and willing to help at all times, she has given a glow to Vance County High. She has great school spirit and has demonstrated this in her various sports activities and as president of the Pep Club. Her out-going personality has won her many friends. She is open-minded and always considers the views and feelings of her classmates. She is intelligent and always strives for high goals. Throughout her school years, she has made excellent academic achievements. This girl is college bound, and with such a great expectation of life, she is to be successful.

Marshals

A distinctive honor is that of wearing a marshal's badge. The small emblem pinned to the shoulder of each student is one he can wear proudly. The badge consists of a plastic enclosed plate signifying the marshal's name and grade classification. From this plate extend the regal navy and white ribbons.

The marshals are the students with the highest scholastic achievement in each class. From the Junior class nine students are chosen. Six students are chosen to represent the Sophomore class; and four, to represent the Freshman class. The two students having the highest academic averages from the Junior class are selected as chief and assistant chief marshals.

The duties of the marshals are numerous. They are responsible for the distribution of programs and song leaflets. They seat people in an orderly manner and direct the parents of the graduates to designated positions. The duty of the chief and assistant chief is to head the processional and recessional. Marshals meet their obligations with a deep sense of pride and responsibility.

Marianne Sinaida Blom

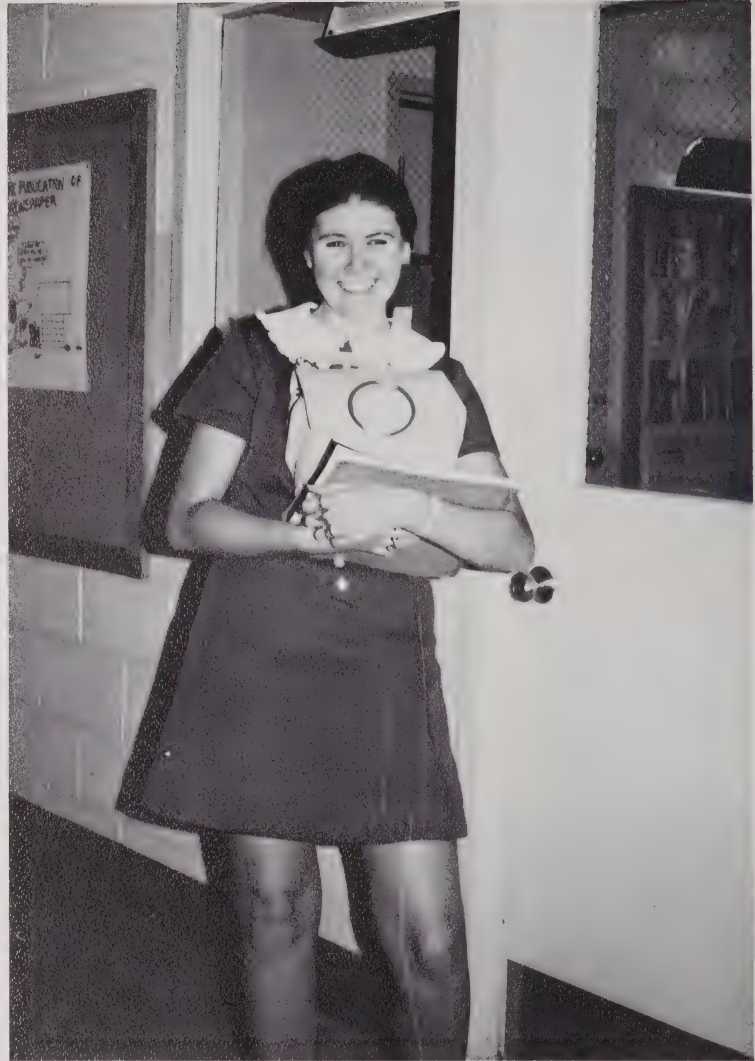

We, the students of Vance County High School, are proud to have with us an exchange student from Finland. Her name is Marianne Blom. Since she is the first foreign exchange student ever to come to Vance County, we feel this is quite an accomplishment.

Even though Marianne has attended our school for only one year, she has been very active in school affairs. She was an alternate on the cheerleading squad and a member-at-large of the Student Council.

As you may well have noticed by meeting Marianne, that leaving her home and friends hasn't dampened her enthusiasm in the least. She is a vivacious and popular person at Vance County High and will remain so in the memories of those who know her.

While in Helsinki, Marianne attended Toolon Yhteislyseo, a secondary public school. When she returns, she will have two more years at Toolon Yhteislyseo before graduating. She has two sisters and one brother.

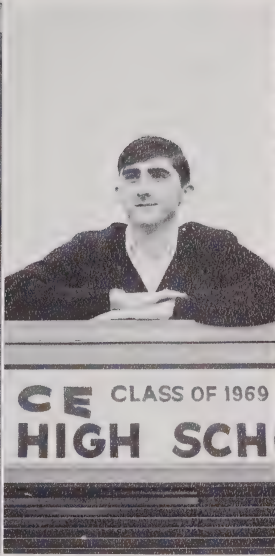

During her stay in Henderson, Marianne has been living with Mr. and Mrs. Samuel T. Waddell.

Boys' State

Larry Pulley

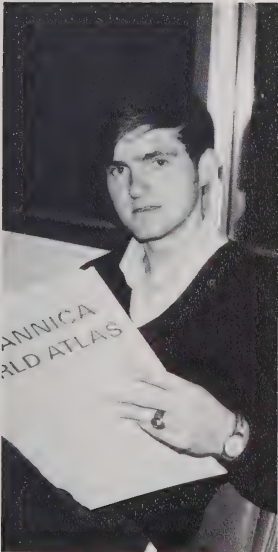

Tommy Spain

Barry Renn

To be nominated for Boys' State is a great honor. The boys must be of good character and have high academic averages. Vance High was very fortunate and proud to have seven students who attended.

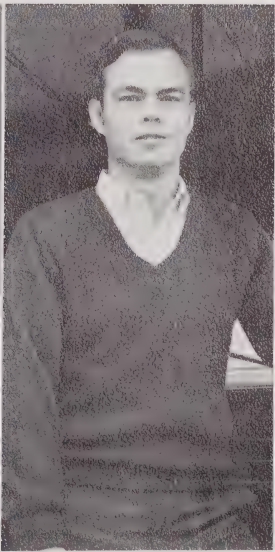

Boys from across the state assembled at Weke Forest University for one week. During this time they were divided into parties, made nominations, elected candidates, and heard various speakers. In general, it is a school in political science. The students from V.C.H.S. who attended participated by holding offices and elected positions for the different parties.

Girls' State

To be nominated for Girls' State or Governor's School is a very high honor. Representing V.C.H.S. at Girls' State was Janelle White. The political science school for girls from across the state was held at University of North Carolina at Greensboro. Governor's School participants were Debbie Edwards, qualifying in math and Arlene Bender, working in the field of science.

Organizations

Teachers' Aides

This year, many students were allowed the privilege to be an aide to the teacher of their choice. Each student is allowed only one period as an aide. Aides receive credit for the period as if it were a course. The aides are learning that teachers work too.

Aides are kept busy with many chores. They type stencil sheets, duplicate them, and help with bulletin boards each month. Of course there are other tasks that they perform. The aides enjoy the work and the "off class" fun with the teachers.

TORCH Staff

The school year 1969-70 brought about a change in the organization of our Annual Staff. Instead of a customary Senior Class production of the yearbook, it is now an Annual Staff Production. We selected students from every class based upon their grades and character. Each student must be able to tackle the tremendous job ahead of him—that of a yearbook production.

TORCH Staff

Students are discussing financial problems of THE TORCH.

The TORCH Staff can be considered a unique organization. There are no specific requirements for membership, but a member must be capable of hard work.

The members of the Torch Staff are proud of the yearbook. It extracts a heavy toll in time from its producers. However, hard work is in the fun and satisfaction of serving the assembled product.

abilities. They have jobs ranging from taking care of the finances, to the selling of ads, to the typing of copy for the yearbook. But each person is very important in the intricate structure of the staff.

Without the sponsors, the yearbook would not be possible. They bear the legal responsibility of the contract. The two editors also share in the matter of responsibility.

Student

Mrs. Brame, Miss Coghill, and Mr. Reavis devote much of their time to the student council activities.

The Student Council, representing the entire school, is a governing body of co-operative, hard-working people. It is led in its endeavors by three competent advisors.

The members-at-large are active in club participation.

The purpose of the Student Council is to promote student participation in school affairs. The Student Council enables students to work with other students and teachers to alleviate problems. This promotes better student-faculty relationships. These goals were achieved under the able leadership of Miss Pattie Lee Coghill, Mrs. Beatrice Brame, and Mr. Macon Reavis.

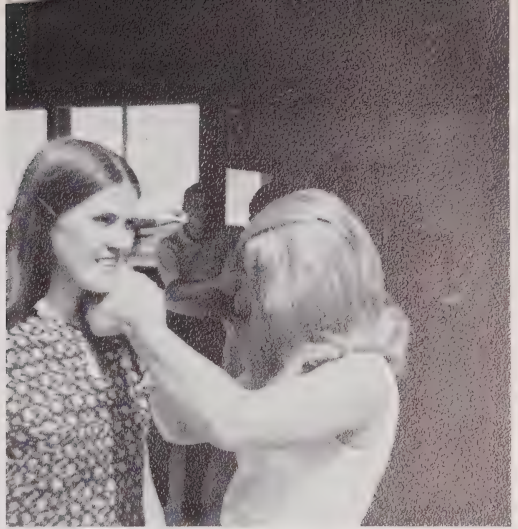

Because of the size of the student body, only one representative was elected from each homeroom. This was done so that the Student Council would be large enough to represent all students and small enough to work efficiently.

The Student Council's main project was bringing to Henderson a foreign student, Marianne Blom. Also initiated this year was a Student-of-the-Week Program.

Student Council Officers: David Parham, President; Joyce Green, Vice-President; Carolyn Evans, Treasurer; Darlynn Pegram, Corresponding Secretary; Luanna Brummit, Recording Secretary.

Campaigning is an important part of club elections.

Tony Norwood receives the honor of being chosen the first Student of the Week by the Student Council.

When election time came, opportunities were given to all students to nominate other students or themselves for Student Council Office. From these names all those desiring to run for office were given the chance to do so. A primary was held with all candidates being presented to the student body. From these names the two receiving the highest number of votes were in the final election. These ten candidates and their campaign managers were given an opportunity to speak before the student body. The results of the final election were as follows: President, David Parham; Vice-President, Joyce Greene; Recording Secretary, Luanna Brummitt; Corresponding Secretary, Darlynn Pegram; and Treasurer, Carolyn Evans.

Pep Club

The fans, cheerleaders, and Pep Club members support the team 100 per cent.

The students of Vance County High, being vitally interested in sports, have organized a Pep Club.

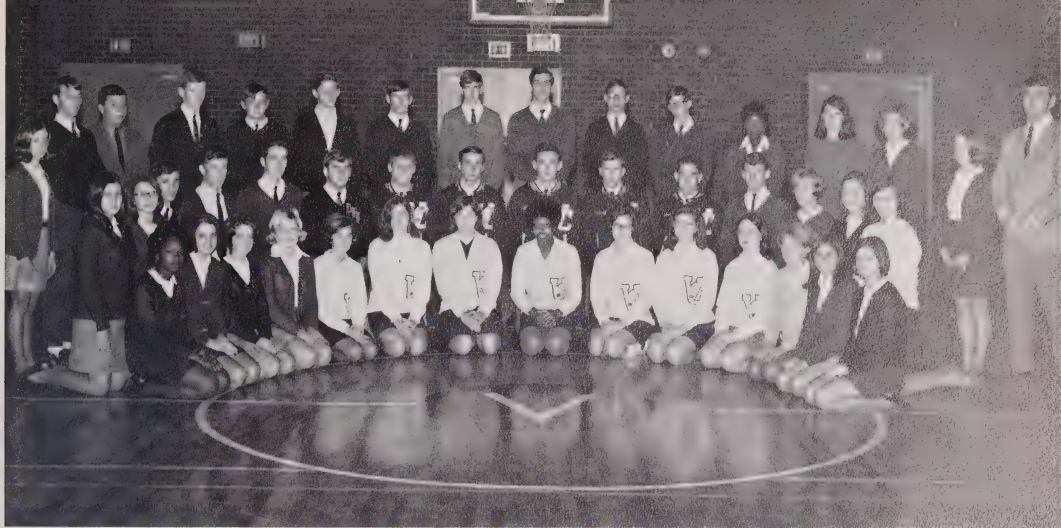

The primary goal of the Pep Club is the promotion of good school spirit. Organized cheering at all athletic events is a step toward the achievement of this goal.

The Pep Club is also interested in the impression that other schools get of the Vance High Student body's behavior. It tries to set a good example for other students by being good sports at all games.

The people that lead the Pep Club are: Co-Sponsor, Mr. Baker; Treasurer, Nancy Parham; Secretary, Elaine Perkinson; Vice-President, Brooks Greenway; President, Patricia Williams; and Co-Sponsor, Mr. Cobbs.

The Varsity Club at V.C.H.S. is comprised of the out-standing athletes and cheerleaders in our school. These athletes gave the entire student body a sense of pride in athletics last year as both the boy's varsity basketball team and baseball team reached the N.C. Class A semi-finals before being eliminated.

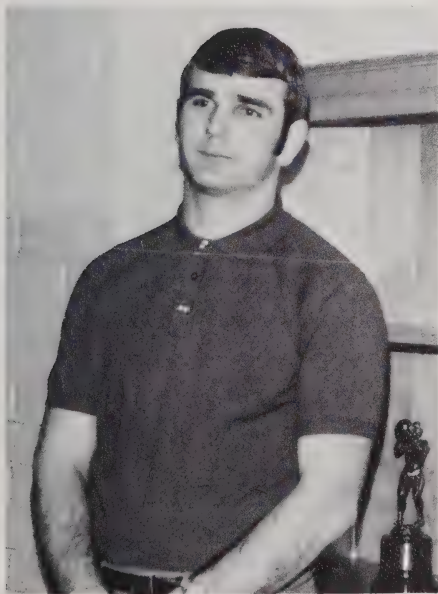

The Varsity Club rewards those athletes who have shown superiority in their sport and have contributed to the team and to the school. The awards are given at the annual awards' banquet.

Two Cougar Awards are given, one each to a member of the

boy's basketball team and a member of the baseball team. This award is given to the athlete who most successfully combines ability, attitude, scholarship, and sportsmanship.

Other awards given to members of the basketball team are the Most Valuable Player Award, Best Defensive Player Award, Best All-Around Award, and the Playmaker Award. In baseball a Most Valuable Player Award and a Most Improved Player Award are given.

Beta Club emblem.

Raising the flag, a project of the Beta Club, is a daily routine.

Candy sales provide funds for the Beta Convention project.

The Beta Club at Vance County High serves a dual purpose. It acts as a service club to the school and student body, and it acts as a reward to juniors and seniors for good academic records.

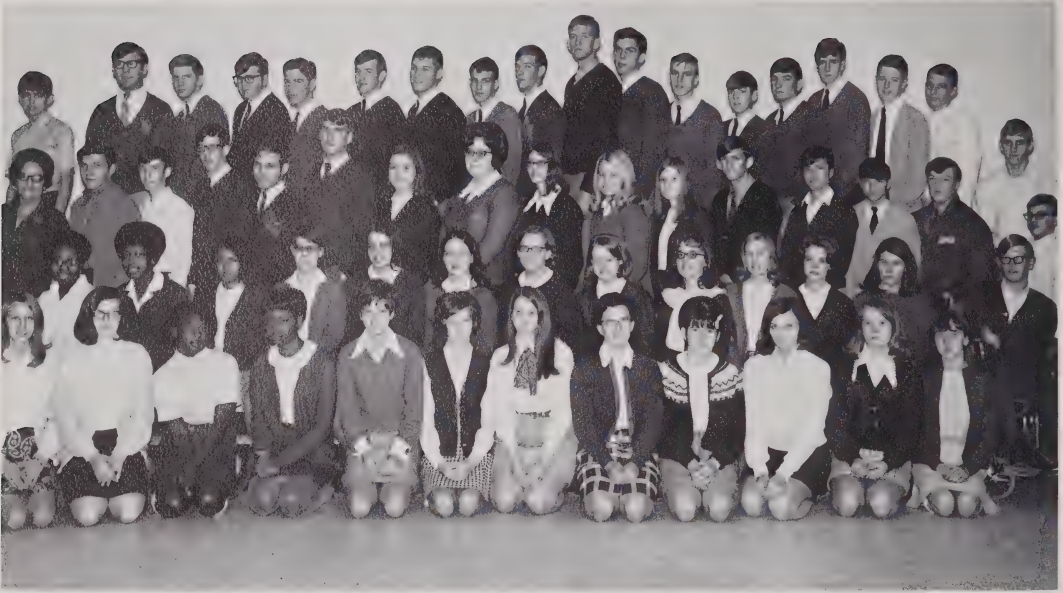

Membership in the Beta Club is not easily attained. Certain requirements must be met. A student must have a ninety-one average to be accepted into the club, and he must maintain at least a ninety average. Character is also very important.

Notwithstanding strict requirements, the club increased at the first of the year, with the addition of thirty-four new members. They were inducted into the club in a ceremony before the entire student body. This brings the entire membership to sixty.

Last year's club donated a flagpole and the '69-70 club is responsible for the flag's being raised each morning. The club also made history in Asheville, the site of last year's convention.

The club has been raising funds for this year's convention through various projects. These include the selling of candy. The whole school was swamped by the deluge of candy and the cry, "Want to buy some candy?" echoed down both halls. The anticipation of the convention is almost as thrilling as the convention itself.

Spanish Club

Among the languages of the world, Spanish has a high place. Spanish, being a romance language, has a rhythm all its own. One of the major goals of a Spanish student is to acquire this rhythm. The Spanish Club informs students about other peoples and are able to appreciate our own culture more.

Under the capable leadership of Mrs. Rosa Iglesias, the Spanish Club learns how Spanish candy tastes, how people dress in the Spanish-speaking countries, and what their flags are like.

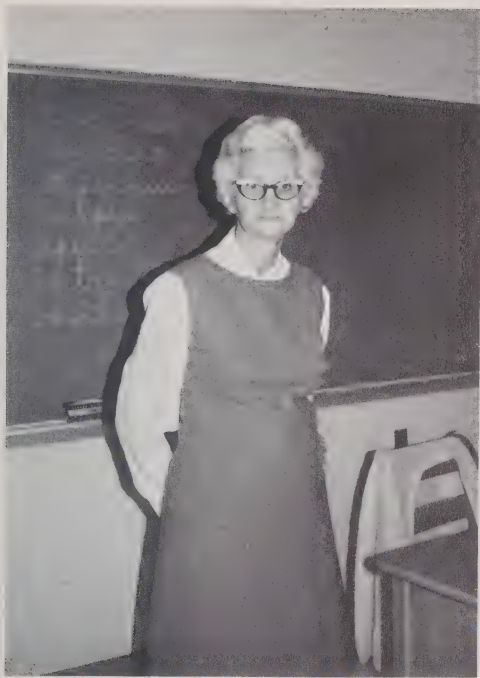

These, among others, are the major objectives of the Spanish Club.

Spanish Club Officers: Larry Pulley, President; Tommy Greenway, Treasurer; Johnny Harris, Sentinel; Luanna Brummitt, Corresponding Secretary; Brooks Greenway, Recording Secretary; Keith Williamson, Vice-President; Mrs. Iglesias, Sponsor

Spanish Club meetings are held with many delights.

Mrs. McColl is Sponsor of the Latin Club.

The purpose of the Latin Club is to impress on the students the importance of the ancient customs of the Romans and the ones that the people in our world have adopted. Latin is the basic romance language. The romance languages, including English, are all derivatives of Latin.

The basic words learned in Latin help the students in English grammar. Students learn the root words in Latin, therefore increasing their English vocabulary. Latin also fulfills the college requirement of a foreign language.

One of the highlights of the year and one of the customs of the Romans was to sell slaves. The Latin I members were sold as slaves at a party. The Latin II members could make their slave perform some service for them.

Although Latin is considered a dead language, because it is not spoken, it provides the students with a challenge to go forward up the mountain of learning.

Phillip Liles, Program Chairman; Ethel Johnson, Secretary-Treasurer; Loretta Franklin, Vice-President; Carolyn Parham, President are the leaders of the Latin Club.

Latin Club

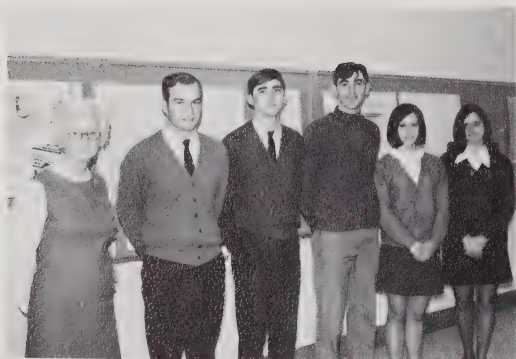

The newly organized French Club of V.C.H.S. has been very active. Our large membership has contributed much in the way of becoming an active, organized club. Our sponsor, officers, and committees set immediate plans for a written constitution and service projects.

Christmas being near, we decorated the front of the school building, our first project. We are proud of comments received from members of the student body and faculty. The French Club will continue to perform service projects throughout the year.

French Club

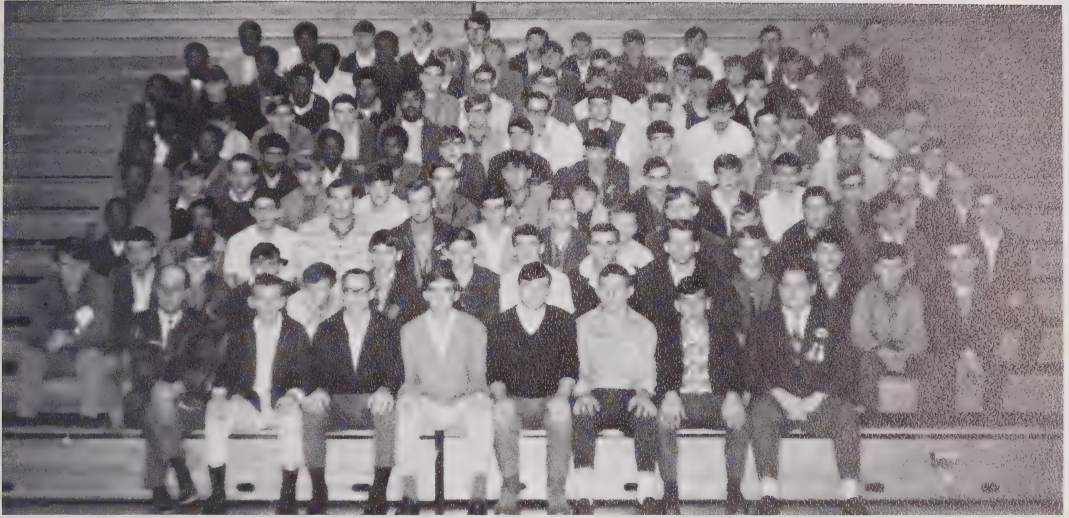

Mrs. McColl sponsor; Tony Norwood, President; Tommy Spain, Vice-President; Johnny Spain, Secretary; Debbie Edwards, Treasurer; Darlynn Pegram, Program Chairman.

The Christmas tree, decorated by the French Club, lifted the spirits of all students at Christmas.

Future Farmers of America

Leading the FFA in the pledge of allegiance are Donnie Wiggins, Secretary; Thomas Hughes, Reporter; Dennis Edwards, Sentinel; Wayne Grissom, President; Steve Moody, Vice-President; Danny Norwood, Treasurer.

Sponsors are Mr. Colson, Mr. Griffin and Mr. Liles.

Four out of ten persons gainfully employed in the United States work in some field pertaining directly to agriculture. Today's students should have an opportunity to learn of the many vocations available to those who choose an agricultural career. The Future Farmers of America at VCHS tries to give the students this opportunity.

The primary purpose of the FFA is to develop agricultural leadership, cooperation, and citizenship. The programs of the FFA are centered around the needs of the individual and community in mind.

The VCHS chapter of the FFA participates in various contests among other chapters in this district. The FFA sponsors the

annual Vance County feeder calf show and sell and has planted about twenty-five hundred pine and spruce trees in an effort to improve the county's forest resources.

Agriculture will become increasingly important as migration to the cities in America continues and the population grows steadily. Authorities anticipate that three hundred million people will inhabit the U.S. by the year 2000. The FFA will play a large part in the development of tomorrow's agricultural leaders as the organization strives to find the best methods possible for improving crop yield and providing food for this ever increasing population.

Future Homemakers of America

Leading the 1969-70 FFA are Debbie Edwards, President; Sylvia Satterwhite, Vice-President; Gwen Sullivan, Secretary; Carolyn Strickland, Treasurer; Thelma Stevenson, Reporter; Luanna Brummitt, Historian; Jean Jackson, parliamentarian; Nancy Thompson, Song Leader.

Miss Cudas and Miss Mewborn, Sponsors.

Future Homemakers of America is the national organization of girls and boys studying in high schools of the United States, Puerto Rico, and the Virgin Islands.

F.H.A. is an action course. As an integral part of the homemaking program, F.H.A. provides opportunities for students to have additional experiences in planning and carrying out activities related to homemaking.

The F.H.A. has many purposes. These include: to promote a growing appreciation of the joys and satisfactions of homemaking, to encourage democracy in home and community life, to work for good home and family life for all, to promote international good will, and to further interest in home economics.

The F.H.A. has a program every month. Programs are presented on various themes by different members.

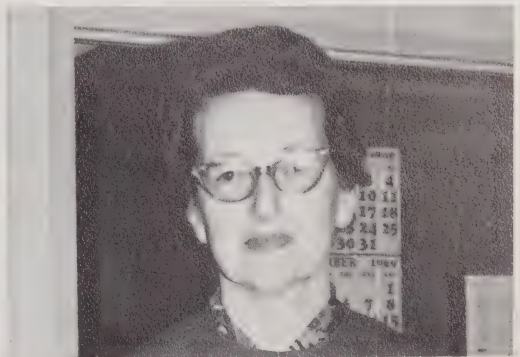

Future Teachers of America

The Future Teachers of America is a newly organized club at Vance County High this year. At the present time, membership is limited to juniors and seniors since these upperclassmen seem to have more definite ideas concerning the careers which they wish to pursue. The local FTA unit is affiliated with the state and national organizations, thereby receiving benefits on both levels. A series of publications called Blueprints for Action outline fully all necessary activities.

Future Teachers of America has as its basic purpose to assist

students in examining career opportunities in the educational field. Specifically, FTA seeks to enable its members to view teaching realistically, to learn of the many occupations within education, to find out about preparation programs in education, and to develop skills in the area of human relations.

The Vance County High FTA Chapter strives to be a functioning unit with emphasis placed on the important role of education in our nation and throughout the world.

The FTA progresses under the sponsor Miss Boyd.

Officers: Jean Jackson, President; Carolyn Parham, Vice-President; Carolyn Evans, Secretary; Johnny Spain, Treasurer.

Introduction to Vocations Club

Through Introduction to Vocations, students learn the requirements for many of the jobs open in the world. They are exposed to the various kinds of work to enable them to choose more wisely the occupation they will enter.

The choosing of one's life's work is very important. Through I.V., students are usually able to realize their capabilities and make a wise choice.

Mrs. Watson, Sponsor; Barbara Yancey, Reporter; Bobby Abbott, Vice-President; Sandra Williams, Secretary-Treasurer; Lawrence Hicks, President.

The IV Club sponsors the writing supply company as one of its activities.

Newspaper Staff

Co-editors Marty Breedlove and Steve Norwood.

Vance County High had a newspaper this year, and THE VOICE OF VANCE was very successful. It was organized by several students with the invaluable help of Mr. Harris.

The staff consists of thirty-eight members and three sponsors, Mr. Harris, Mrs. Gooch, and Mrs. Clayton. The office is a busy place, and the staff meets regularly.

The publication of the first paper was no easy undertaking. The staff began with no money and few ideas of how a newspaper should be written. But through hard work, the guidance of the sponsors, and luck, the paper was published. The first issue sold five hundred copies. The members of the staff are honored in being the first newspaper staff at V.C.H.S., and it is proud of the student responses.

Sponsors for the paper are Mrs. Clayton, Mr. Harris, and Mrs. Gooch.

The first newspaper staff at V.C.H.S. is a working group.

A conference of the heads of each section seems to be in progress.

In their second season of action, the J.V.'s are again coached by Mr. Jim Overby. The J.V. team is composed of Freshmen and Sophomores.

Best of luck friend.

Charles,

I've known you for many years now, and I honestly have met few people as nice and sweet as you are! (And I'm not kidding.) Though I seldom see you at V.C.H.S., I'll never forget your nice personality and pleasing ways. Here's wishing you life's most in Happiness. "Good Luck & God Bless."

Love,
A friend always
(Cousin!)

Charles,
As nice as nice Elizabeth Short
as you see and
life will be rewarding.
Best of Luck and Happiness.

A friend,
Dean

Charles,

Misa real pleasure knowing you, and I know I worried you withing that. You are one of my favorite compliments! Gee! That's a cute you are, and they stay as sweet as all your wishes. May God Grant you

All my Love,
Sunshine,
Janette

Charles,

I really don't see
you're real good but I find
you're to be a sweet, nice
boy. Stay that way and
you are sure to come
on top! Best of luck
in the coming year!

Charles,

I have enjoyed knowing
you all these years.

You are a very sweet and
kind person that is why
you are and you'll always
show success. Best of luck
in the future.

Charles,

It's been great being buddies ^{mistake} with you
this year. You're a great guy and a good friend.
Barbara and I went up to Ward's yesterday on
our new car, we wanted you to see it but you
weren't there. So be up there the next time I get
the car so you can see it.

Well I gotta go. So be real good and don't every
chance your wonderful ways.

P.S. Lots of luck
with that special
girl!

Lots of Love,
Darleen

Charles,

You a Great friend of mine & one person that's helped me more than anything. You are so easy to get along with & you're my match-maker or should I say was. Right now I'm mad at you! & I forgot why. you've got such silly & sweet ways. may God bless you & may all your dreams come true & Everything you undertake to do. you really helped me with Billy last year & the first of this year. Good luck always to a very dear friend to me Love ya!

P.S. Good Luck with that special girl.

Barbara.

Charles
you are a sweet boy. you have always obeyed and I am very proud of you. may God richly Bless you always
